Skill Summit 2018, Momentum Jharkhand **12-13 January 2018**

The Government of the Indian State of Jharkhand is organizing 'Skill Summit 2018, Momentum Jharkhand' from January 12-13, 2018 at Ranchi. The summit is focused on developing employability and entrepreneurship among youth and creating skill development infrastructure in the state.

In the last three years, the State of Jharkhand has set the task of skilling its youth at the forefront of its development activities and aims to establish itself as a 'Skill Hub of India' in the next five years. The Government of Jharkhand plans to make over 2 million youth skilled, assessed and certified over a period of next five years.

The Skill Summit 2018 would provide an opportunity to understand the potential of Jharkhand in various sectors and an excellent occasion to interact with the policy makers, skills providers, employers and thought leaders from all across the world. The summit would bring together crosscurrents of opinions, views and ideas inherent to Skill Development. The detailed information about the summit can be accessed at the website: <http://hunar.jharkhand.gov.in/home>.
